Dual Singles from £84.00

The 5 trains that match your criteria the closest are then displayed with an option to view earlier or later train times.

Fares are shown in ascending order and with real time availability.

Where they are available it can work out cheaper to purchase two one way tickets (called Dual Singles) rather than a traditional return ticket. When Dual Singles are available, there is an option to view these prior to proceeding with your booking.

RailGo can show and book discount rail fares including 16-25 Railcard, Senior Railcard and annual gold card.
